Lady in Waiting
 Susan Meissner

Content in her comfortable marriage of 22 years, Jane never expected to watch her husband pack his belongings and walk out the door. When Jane finds an old ring in a box of relics from a British jumble sale, she discovers a Latin inscription in the band along with just one other word: Jane. In the 16th century, Lady Jane Grey is an innocent young woman whose fate seems to be controlled by a dangerous political and religious climate. As the stories of both Janes dovetail through the journey of one ring, it becomes clear each woman has far more influence over their lives than they once imagined.

The Bridge of Peace
 Cindy Woodsmall

Lena, 23 and an Old Order Amish schoolteacher, has laughed off the prominent mark on her cheek most of her life. Her free-spirited personality can't stop people's prejudices, but she bravely ignores their whispers as she attempts to carve a bold, if controversial, path for the education of her young Amish scholars. Grey is bound inside a marriage void of affection and communication. He is determined to find a solution, but tragedy unhinges his good intentions. Can two people who have been friends since childhood find God's love and learn how to embrace each other's imperfections?

Divine Appointments
 Charlene Ann Baumbich

Josie, 47, thought she was leading an enviable single life. A successful consultant, she calls her own shots, goes where the money is, and never needs to compromise. But her precisely managed world begins to falter during a Chicago contract when an economic downturn, a bleeding heart boss, and the loyalty and kindness between endangered employees ding her coat of armor. It will take a few new friends, a mystical encounter, and an unexpected journey to set Josie on her own path to "right-sizing" and making the life changes that really matter.
